[REDACTED], who expects to get his PhD in  
Philosophy in June 1963, and will spend this winter working on  
his dissertation in Copenhagen, may or not still be in [REDACTED]  
because his home phone still rings but nobody answers. Suggest  
to cover all possibilities for catching this transient bird  
that you telememo requirements to us as well as send them to  
whatever sterling character has the [REDACTED]  
[REDACTED] best.
